

Dear Interested Parents,

Thank you for inquiring about Delta Christian School! We believe you are in the process of making one of the most important decisions in the life of your child. Delta Christian School was established in 1953 by a group of parents who, like you, believed that the education of their children was too important to risk in an environment where God was not honoured.

The information contained in this package will help you understand our vision of Christian education. Included is a variety of material which should answer most of the questions you may have. There are three steps in registering your child at Delta Christian.

Step 1: Read the material in this package and then proceed as follows:

- Complete all sections of the **Registration Form & Parents' Acknowledgment Form.**
- Attach a copy of your child's **Passport** and current **Student Authorization** (if available)
- All original plus officially translated **copies of transcripts** and/or **report cards.**
- Forward the **Family Reference Form** to the pastor of the church your family is attending.
- Complete the **Educational Support Information Form.**
- Attach the **\$500.00 CDN Registration Fee** (non-refundable)*.
- Complete **Financial Responsibility** form.
- Return all of the above to **Delta Christian School.**

Step 2: A registration is complete when all of the above have been received by the school office. The eligible applicant will receive a letter conditionally accepting the student to the program. An interview date will be determined with the student and parents.

Step 3: The final step in registering your child is meeting with the Admissions Committee. Since DCS is a parent-controlled school, we want to be sure that you understand our vision and can share in our traditions. Upon acceptance, the first year's tuition is required before an official **Letter of Acceptance** can be issued.

ESL testing date determined.

Please note: All students must plan to arrive in Canada at least 10 days prior to school opening.
